Once upon a time, your hosts, Urs and Linda Honegger, spoke about opening a coffee shop with something special to serve to our customers ...

Firstly, how to find a name. hmmm ...

Two “g’s” appear in our surname and then the realisation that a gee-gee means a horse, it was a no-brainer to call it gg’s Café seeing the coffee shop is located in Kyalami’s horse country.

Simple.

Then the specialty ... As lovers of a great waffle, we decided to source an authentic Belgian Waffle recipe all the way from Belgium, then practiced quite a bit in getting the recipe just right without having to resort to the instant mix that most restaurants across the country

serve and,

Voila!

The perfect, Authentic Belgian Waffle!  
And so the “Home Of The Jozi Waffle” was born.
